Conclusion

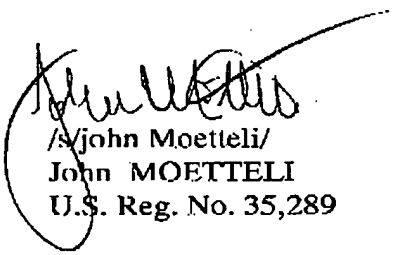

Applicant has made a diligent effort to advance the prosecution of this application by amending claims and pointing out herein with particularity how the claims now presented are patentably distinct from the prior art of record. Therefore, Applicant respectfully submits that the claims are now in condition for allowance. No new matter has been entered by this amendment. Any limitations to the claims are made solely for the purpose of expediting the prosecution of the application and, unless otherwise expressly stated, are not made to narrow, vis-à-vis the prior art, the scope of protection which any subsequently issuing patent might afford. Again, if the Examiner has further questions, he is invited to contact the undersigned at phone 011-4171-230-1000, fax at 011-4171-230-1001 (Switzerland is 6 hours ahead of Eastern Std Time), or e-mail at [moetteli@patentinfo.net](mailto:moetteli@patentinfo.net).

Further, it is believed that Applicant no longer qualifies for small entity status (as of January 7, 2008) and therefore requests that the Commissioner debit all fees for this Applicant as Large Entity, until otherwise informed.

Applicant petitions the Commissioner for an extension of time to respond of X month, and the Undersigned authorizes the Commissioner to charge any fee or credit any overpayment of any fee under 37 CFR §1.16 and §1.17 which may be required in this application to the deposit account of MOETTELI & ASSOCIES SARL, no. 50-2621.

Respectfully submitted,
